

Norseman Resorts ~ Ogunquit, ME

The Norseman staff sincerely thank you for allowing us the opportunity to be your lodging choice while vacationing on beautiful Ogunquit Beach. The 2015 season was eventful for us. In addition to our usual winter maintenance and improvement program; we introduced our new Tidal Suites which replaced the former Gangplank rooms. We also suffered a fire on April 28th which destroyed both Huckleberry's Restaurant and our Sailoft rooms. We worked diligently to deal with the aftermath of the fire and the completion of our new suites along with finalizing the other winter projects which were underway. Our suites were finished just before the July 4th holiday. We are currently constructing our new rooms which will be on the former Huckleberry's site. We are all looking forward to the 2016 season which begins on April 7th. Improvements that we have been working on this winter include: The Dunes Building has a new deck, sliding doors, siding and exterior lighting on the North side, Room 111 has been completely renovated and now has a king bed. New windows have been installed in Rooms 126 & 127. The Skippers Deck has a new staircase, better lighting leading to the upper levels, and the 2nd level of the Skippers Deck has been rebuilt. Six rooms in the Summer Building at the Aspinquid have been renovated. Seacastles front porches and stairs have been rebuilt, the indoor swimming pool and whirlpool at Seacastles have been refinished and painted. Five rooms at Seacastles have been renovated to include new kitchen cabinets, bath vanities and carpet. Also, many rooms at all three properties have a fresh coat of paint. We hope you will come stay with us and relax at the "beautiful place by the sea".

Can We Have an Early Check-In/Late Check-Out?

We understand that many visitors would like to check into their rooms as soon as they arrive into town. Unfortunately, during our busy times we are unable to check guests in prior to 3pm. Check-out time is 11am and late checkouts are not possible during peak season because housekeeping must clean the rooms to prepare for arriving guests. Thank you for your understanding.
